

FINISHING TOUCHES

Thank you for participating in today's Second Saturday Service litter cleanup. Here are the final steps of the cleanup:

- 1) LEAVE BAGS** in locations where it will be safe for Public Works staff to pull over and collect them. WE CAN ONLY PICK UP BAGS THAT ARE LEFT WITHIN THE TOWN LIMITS (refer to the shaded areas of the map located at the sign-up table). *Please note that we do not serve the Baxter, Foxwood/Merritt Road or Regent Park areas, which are located outside of town limits.*
- 2) SEND** a detailed description of where you left your orange litter bags and how many there are to pick up to Jeanette Kettlewell at jkettlewell@fortmillsc.gov by Sunday afternoon. Please be descriptive so we don't miss the bags. You can include a photo if you like.
- 3) SHARE** your work on social media using #PickItUpPrideFortMill.
- 4) RETURN** non-disposable vests and unused collection bags to the box in front of Town Hall. By turning in these items for use during a future event, you will help us to keep program costs down.
